Biofizika **15** 225 (1970)

6. 29 N.P.Sidorenko, V.I. Deshcherevsky: Biofizika **15** 785 (1970)

Quote:

In the text of the English edition of the monograph, just as well as in the text of two re-editions of the Russian version of the book, Deshchevsky's surname is not mentioned - only reference numbers are named.
